

Privacy Notice

Effective starting: August, 2026

Your privacy matters to us. This Privacy Notice explains how DataFlow Future Limited and our corporate affiliates (“DataFlow”, “we”, “us”, or “our”) collect, use, share, and protect your information when you use our CleanShield: Clean & Secure (“App” or “Service”) or otherwise interact with us.

If you do not agree with this Privacy Notice, do not access or use our App or interact with any other aspect of our business.

I. Information we collect

We collect the following types of information about you when you provide it to us, when you use our Services, and from other sources:

- your name and email address.
- IP addresses.
- usage data includes the pages of our App you visit, the time and date of your visit, the time spent on those pages, unique device identifiers another diagnostic data.
- activity Information directly related to your use of the App, includes contact list and or photos.
- device information includes device types and settings, device identifiers (such as IDFA, IDFV for Android, GAID for IOS), browser types, mobile, wireless, operating system versions, another network information (such as internet service provider name, carrier name and signal strength), and application version numbers.

II. How we use information we collect

We only process personal information in a way that is compatible with and relevant to the purpose for which it was collected or authorized. We may use your personal information to:

- Enable you to access and use the App and Services.
- Provide, operate, maintain, improve, and promote the App and Services for all our users.
- Response to your comments, questions, and requests and send you technical notices, updates, security alerts, and support and administrative messages.
- Comply with legal obligations as well as to investigate and prevent unauthorized access to the App, and other illegal activities.
- For other purposes for which we obtain your consent.

III. How we disclose information we collect

We disclose information we collect in the ways discussed below.

- Service providers: We work with third-party service providers to provide application development, hosting, maintenance, backup, storage, virtual infrastructure, analysis, marketing, and other services for us, which may require them to access or use information about you.
- Within our group: we disclose information we collect to affiliated companies. Affiliated companies are companies owned or operated by us.
- When we are required to disclose personal information to respond to subpoenas, court orders, or legal process, or to establish or exercise our legal rights or defend against legal claims.
- As you may otherwise consent from time to time.

IV. Links to third-party

The App may include links that direct you to other websites or services whose privacy practices may differ from ours. If you submit information to any of those third-party sites or applications, your information is governed by their privacy policies and we are not responsible for any of the outcome it occurred. We encourage you to carefully read the privacy policy of any website or apps you visit.

V. Dada subject rights and choices

Depending on which jurisdiction you live in, you may have the right:

- to request information about our processing of your information.
- to request the deletion or restriction of your information.
- to request to correct or update your information.
- to request your information in a structured, electronic format.
- to request a copy of your information.
- to object to our use of your information (including for marketing purposes).
- to request to withdraw your consent at any time.

You may contact us with any of the above rights request and we will respond as soon as possible.

VI. Data security

We take all reasonable steps to protect information we receive from you from accidental or unlawful destruction, loss, alteration, and unauthorized disclosure or access. We have put in place appropriate physical, technical and administrative measures to safeguard and secure your information, and we make use of privacy-enhancing technologies such as encryption.

VII. Data retention

We store your personal information for a period of time that is consistent with

the purposes set forth in Section II of this Notice or as long as needed to fulfill and comply with legal obligations. When the data retention period expires for a given type of information, we will delete or destroy it. If, for technical reasons, we are unable to do so, we will implement appropriate security measures to prevent any further use of such information.

VIII. Terms towards children

The App is not intended for use by anyone under the age of 13. If we become aware that a child under 13 has provided us with personal information, we will take steps to delete such information.

IX. Changes to this Notice

We may change this Privacy Notice from time to time. We will post any privacy notice changes on this page. We encourage you to review our Privacy Notice whenever you use the App to stay informed about our information practices and the ways you can help protect your privacy. If you disagree with any changes to this privacy policy, you will need to stop using the App.

X. Contact information

If you have questions or concerns about this Notice or if you wish to exercise your rights, please direct your inquiry to us.
